- Proteus
- Testing Rangkaian

Tip: Use links to go to a different page inside your presentation.

How: Highlight text, click on the link symbol on the toolbar, and select the page in your presentation you want to connect.

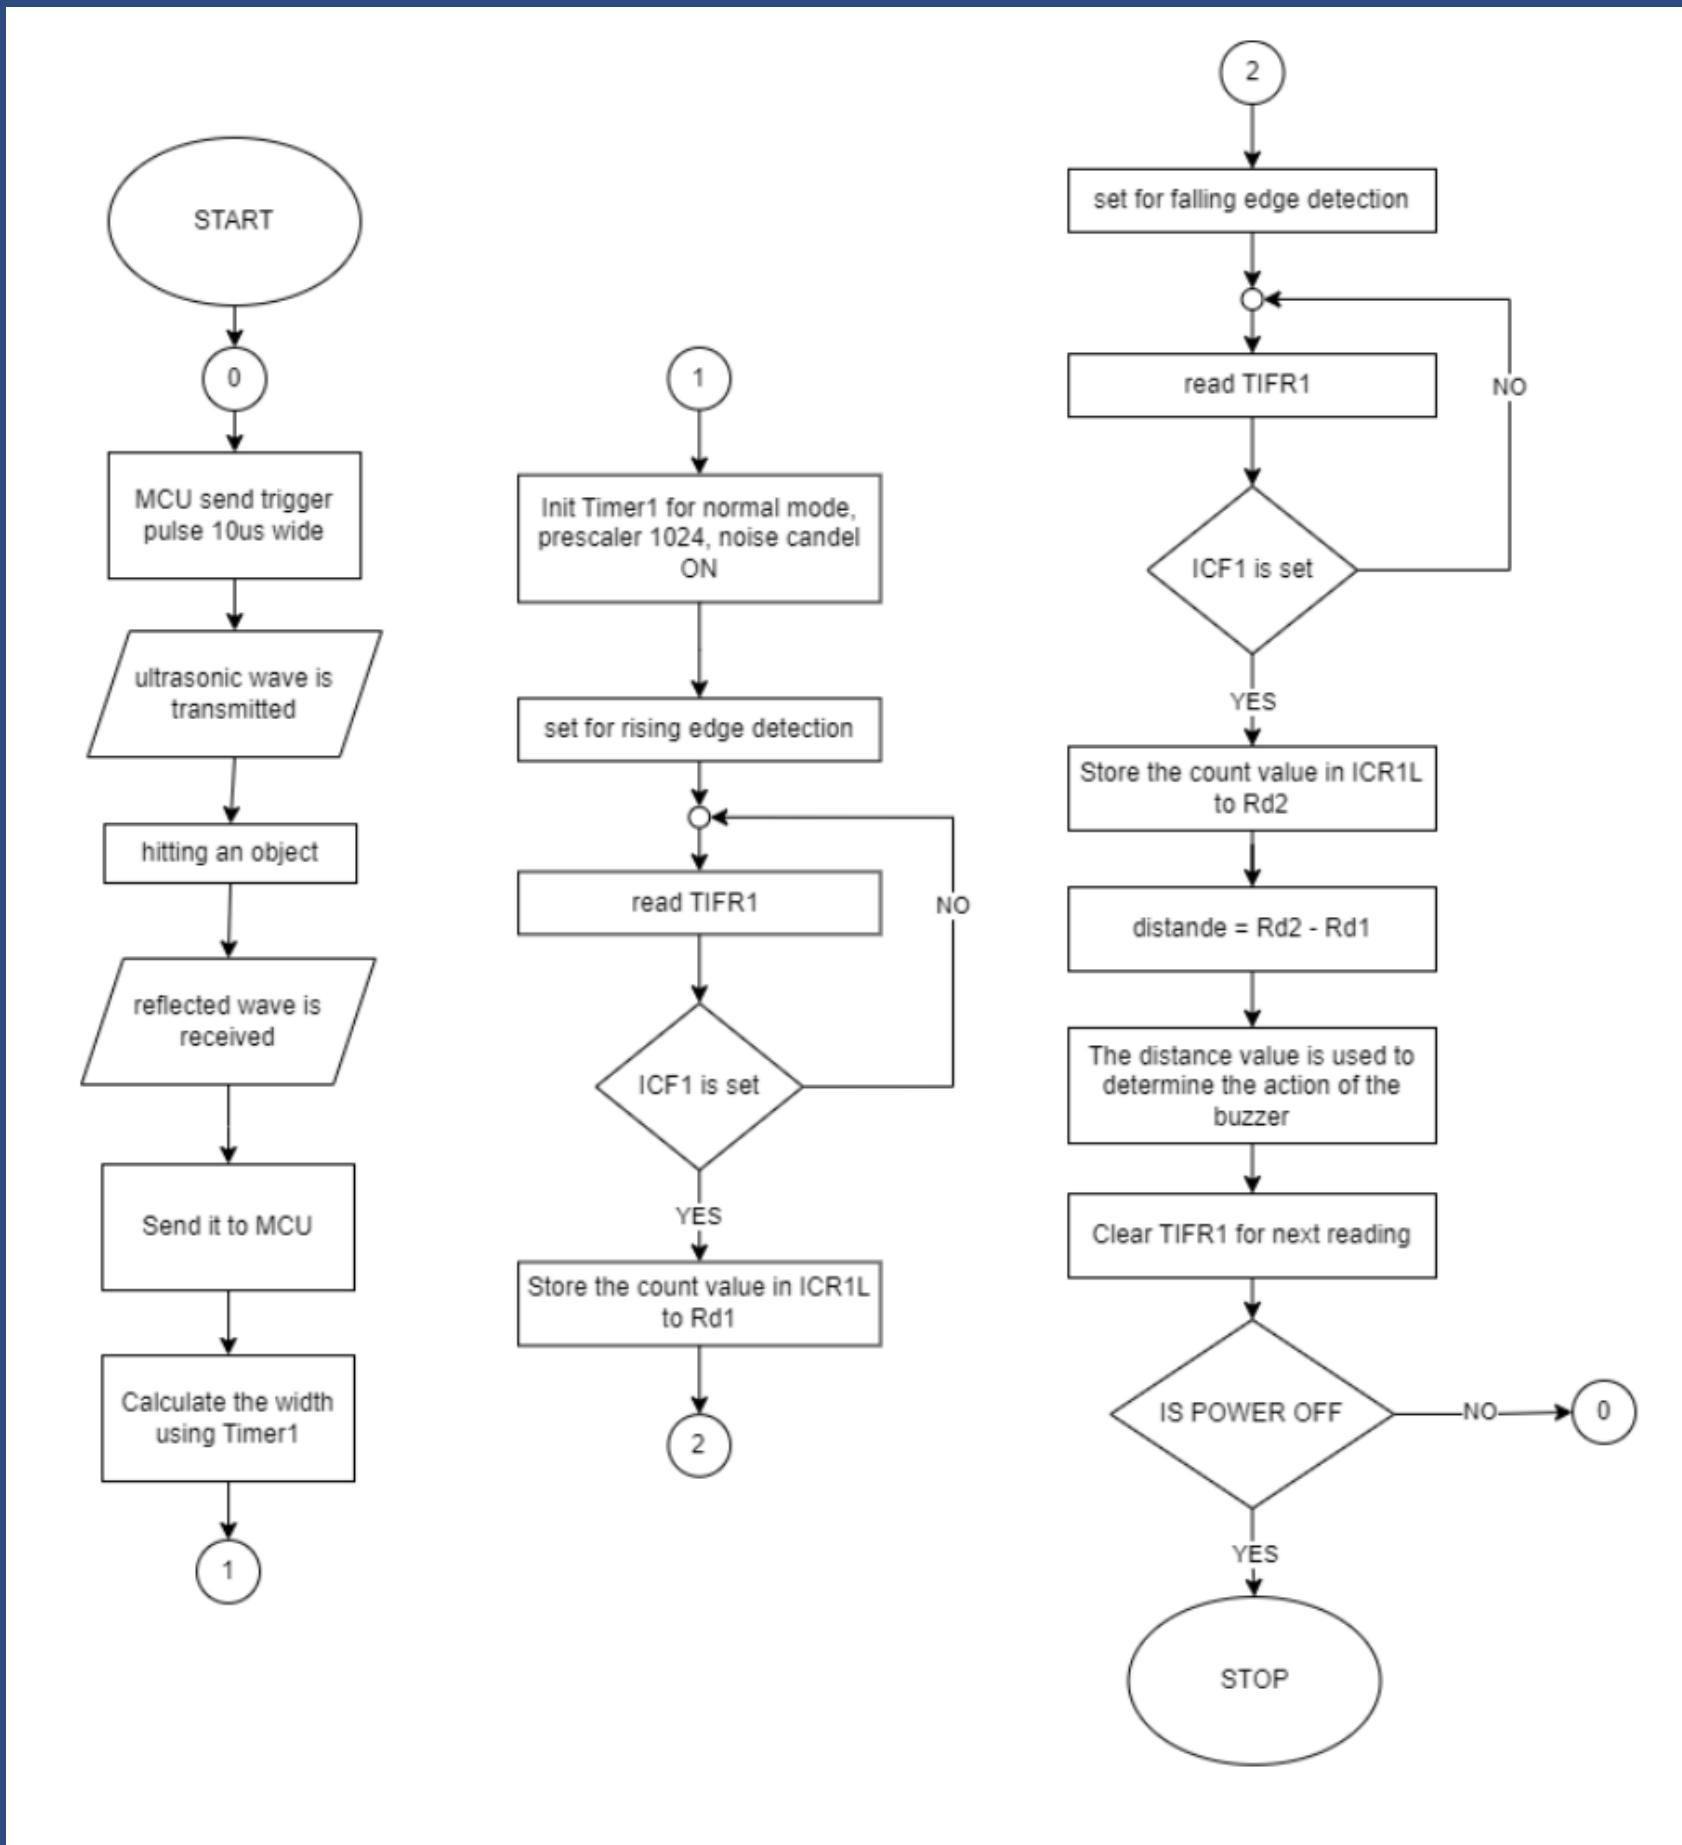

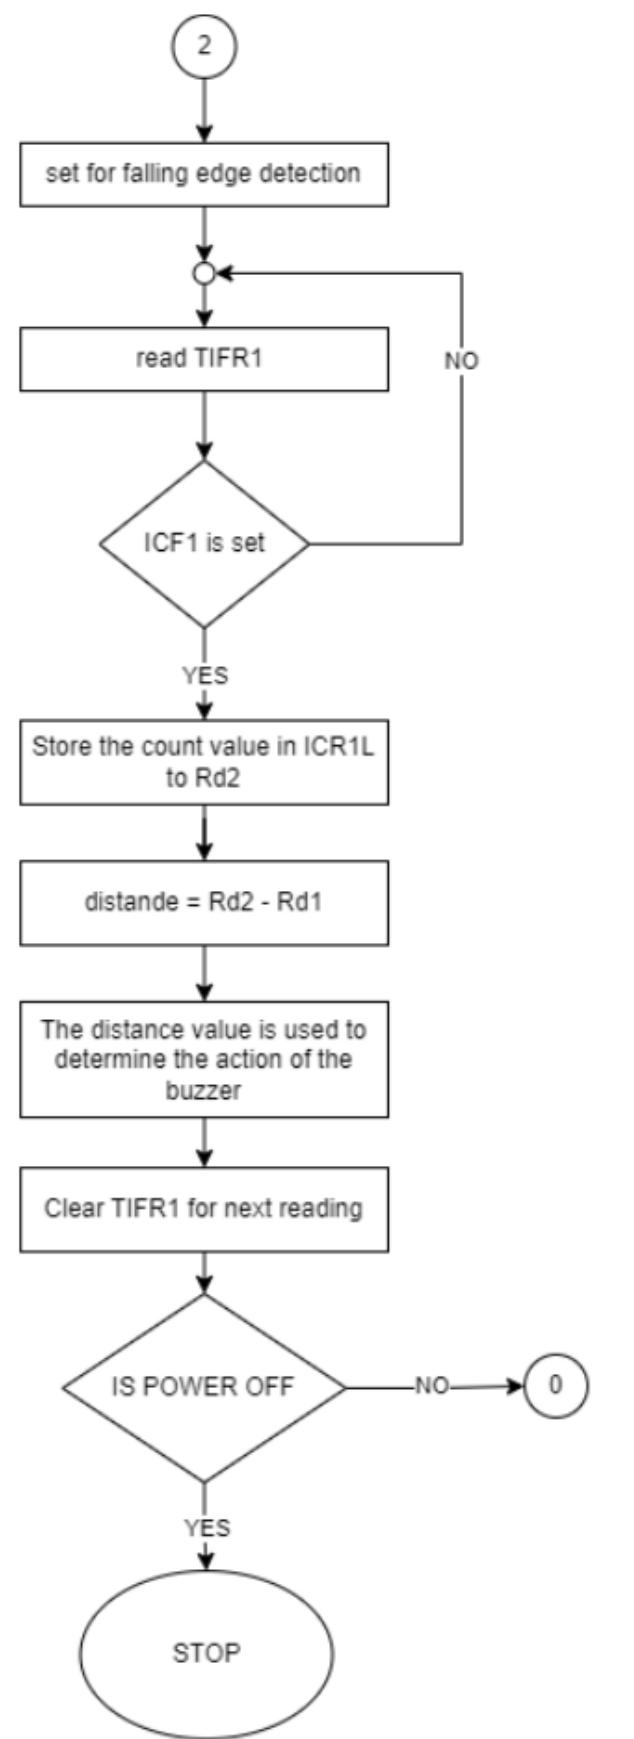

Latar Belakang

Penggunaan layar digital dalam waktu lama bisa menyebabkan ketegangan mata dan ketidaknyamanan, terutama jika pengguna terlalu dekat dengan layar atau kondisi pencahayaan tidak memadai. Untuk mengatasi masalah ini, kelompok kami ingin mengembangkan sistem Asisten Membaca yang memberikan umpan balik secara real-time tentang jarak pengguna dari layar dan tingkat pencahayaan di sekitar.
